

Fri. 9 P.M.

Hi:

The arrow shows
where we're at now.
We took the turnpike
and got on 40 at the
Donagel toll. Were on
40 to St. Louis and
will follow 66 into
Los Angeles. That may
be Daddy would want
to find it on his map
in his spare time.
We're having a very
nice trip and are en-
joying ourselves. Love,
Rt 46-5 Ted & Dolly
